# REGULAR POOL & SPA MAINTAINANCE

## leave the dirty work to us

TPSC offers a regular pool and spa maintenance service - delivered on a weekly, fortnightly or monthly basis - to ensure your pool or spa is always sparkling, healthy and safe.

## benefits

- complete pool/spa management.
- minimise costly cleaning, chemical and repair bills.
- maximise system efficiency and equipment lifespan.

## services

- ✓ comprehensive water analysis and chemical balancing.
- ✓ complete pool cleaning including skimming, scrubbing, and vacuuming.
- ✓ filtration system optimisation.
- ✓ equipment review, testing, preventative maintenance, and repairs.
- ✓ automated pool solutions including salt chlorinators, chemical feeders and control systems.
